

## Salesian Volunteers Working In Tijuana

This year, God has blessed our province with a good group of volunteers. Talia Firpo, 20 years old, and Jeshua White, 19 years old, are about to finish their summer experiences in Tijuana. In the next few days, Miriam Hernandez, 18 years old, will be a young missionary in Tijuana for one year.

Miriam, her parents, brothers and sisters have been members of St. Dominic Savio Church for the past 10 years. She also has been involved in the Youth Ministry in the parish for the last 6 years as an active participant and youth leader. Miriam has participated in several short missionary trips. But after listening to Giovanni Garcia, who volunteered one year in Ecuador and also participated in our Human Rights Conference, she made her decision to an answer of "YES" to God's call.

Miriam also had been training all summer long to prepare herself. Please keep all our volunteers in your prayers, especially Miriam, who will be starting her missionary work one year, that she may make a difference and change the lives of the people works with and the she may continue to accomplish St. John Bosco's dream for all his young people.

If you or anyone you know might benefit in becoming a missionary, please have them join the Volunteer Program. This program could be a vehicle to those who might consider Religious life in particular, becoming a Salesian.
